

# RUTA 365 PROCEDURE

## THE PLAYER

## THE GOLF COURSE

1. RESERVATION

### STAMP REQUEST

Contact the golf course and make a reservation presenting yourself as an "en route" player.

Asometime before your trip, access your private area (having registered previously in ruta 365.es) and **REQUEST the digital stamp of that course.**

### RESERVATION

The golf course will process the reservation with preferential conditions on offer for Ruta 365.

Once the digital stamp has been requested, the golf course will be able to see the player's data and the scheduled date of play in its private area "Login for golf courses" (at ruta365.es).

1. RESERVATION

2. DAY OF PLAY

### VALIDATION REQUEST

On the date of play be sure to identify yourself as an "en route" player under preferential conditions established for Ruta 365.

You might also remind the golf course the need to **VALIDATE** the requested digital stamp.

### VALIDATION

**After the round, the golf course can validate the digital stamp** as requested by the player.

The golf course can do so in two ways:

- Through its private area
- Through the player's request form

2. DAY OF PLAY

The (paper) passport is a memento of your travels but does not entitle to Ruta 365 special fees and discounts, or to participate in rankings, prizes and drawings.
